

easyRAID[®] M2S200+/B internal SATA RAID-System

For 2x 2.5 SFF
HDDs

easyRAID M2S200+/B

The easyRAID M2S200+/B enables to equip 2x2.5 SFF HDD and in-builds RAID 0 and RAID 1 function which are helpful to expand storage capacity and backup vital data.

With small size form factor and flexible SATA II trays, the easyRAID M2S200+/B is easy to inset and work in a personal computer or an industrial computer.

Technical Data	easyRAID [®] M2S200+/B
Model	easyRAID M2S200+/B
RAID-Level	0 or 1
Host-Interface	1x SATA II
Harddisk-Interface	SATA II
Hard Disk Drives	2x 2.5 SFF, Hot swap (RAID 1)
Management	RAIDGuide (Win)
Display	monitors HDD health status
Host requirement	Host independent
Operating systems	OS independent and transparent
Data rebuild	Automatic Data Regeneration
Alarm function	Beeper
Input Voltage	12V / 5V
Dimension (W x H x D)	147 x 42.6 x 171.9mm
Fan (W x H x D)	30 x 30 x 10mm
Weight (w/o Disk Drives)	0.92kg
Warranty	2 years

Product Features

- **Real-Time Backup:**
Backup data through RAID 1 mirroring function to prevent from hard drive failure
- **Large Data Backup:**
easyRAID M2S200+/B supports big hard drives to backup more vital data
- **Supports SATA II Hard Drives**
- **Maintain Computer Efficiency:**
Backup performance is based on HDD level that will not influence computer efficiency
- **Driver-Free, easy to manage:**
No driver. Easy to manage and monitor in time with LCD
- **Alarm System:**
The system will monitor the hard disk, fan and temperature. As the failure occurred, it gives alarm automatically
- **Hard Drive Hot-Swap:**
